

Safety Data Sheet Compliance

REACH ("Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)") is a European Union (EU) chemicals regulation that entered into force on 1 June 2007.

Annex II to Regulation (EC) No 1907/2006 lays down requirements for the compilation of safety data sheets used to provide information on chemical substances and mixtures placed on the EU market. It was amended by Regulation (EU) 2020/878 which was published in the official journal on 18th June 2020. The requirements came into force on 1 January 2021, with a transition period for the update of existing Safety Data Sheets extended to 31 December 2022.

HP supports the overall REACH objective of improving the protection of human health and the environment. HP is committed to providing customers with product Safety Data Sheets as needed to comply with REACH and has updated its Safety Data Sheets to the new format as required by REACH as amended by Regulation (EU) 2020/878.
